

Dear Brethren,

I pray that this letter finds you in good health, and prospering in the Kingdom. I also thank God for all that you are doing in serving the Lord. It is because of brethren like you that God's work is being accomplished in many places and we give thanks for your generous support, and pray God's richest blessings to be upon you.

With 2019 rapidly approaching, we are compelled to give thanks for the many ways that God has blessed our lives—the opportunity to reach souls being at the top of the list. Our work continues to be very fruitful, but there is still so much to do in reaching the lost, training preachers, edifying the church, and defending the faith.

For a detailed look at our ministry plan...visit www.biblepassages.net

As 2018 comes to an end, we find ourselves in great need. We have fallen well below our budget and have continually had to operate out of a deficit. We have throughout the year had to greatly decrease salaries, and operate out of our personal savings to fund general operating expenses. Thus we are currently seeking your help, and fellowship in the good work of saving souls.

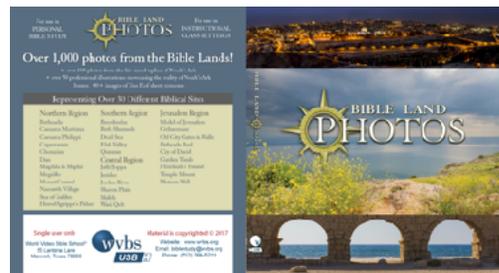

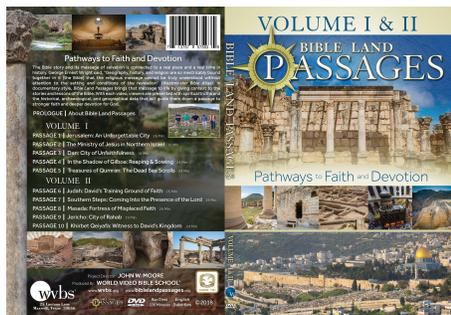

God has been very, very good to us, and we trust that by His good grace we will continue the work of Bible Passages in an effective way, but we are humbly seeking your support. We would be so honored and deeply thankful for your financial contributions to the work of

Bible Passages. We are diligently working to reach souls now, and for generations to come. All contributions are tax deductible and checks can either be written to Bible Passages (501c3) or to the Dripping Springs church of Christ.

In Him, *John W. Moore*

Things we are excited about:

- * The upcoming release of Passage 11: *The Power of Jesus in Galilee*
- * Bible Land Passage videos may now be seen on VidAngel and Amazon Prime
- * The upcoming release of 1000 high-resolution, searchable Bible Lands photographs
- * The large number of Bear Valley students learning to share the word of God effectively

2018 Highlights

Please see <http://www.biblepassages.net/biblepassagesreports> for our monthly reports. The following is a short summary of the work God has blessed us with since January 2018.

- Bear Valley Bible Institute: From January through March we worked with 31 full-time and 17 part-time students at Bear Valley Bible Institute International in Denver, Colorado. Then again from August to October we worked with 37 full-time students and 17 part-time. Courses I taught included 1 and 2 Thessalonians/Philippians, Bible Geography, Church History, Divided Kingdom, and Homiletics. I also wrote an extensive manuscript on the Bible and Archaeology.
- We worked with various US congregations for preaching appointments, gospel meetings, teacher training, and marriage seminars. Those places included Denver and Conifer, CO; Goldsboro, NC; York, PA; Chattanooga, TN; Southaven, MS. In Texas we worked in Katy, League City, Clyde, Dripping Springs, Waxahachie, and Weatherford. We also worked at the Polishing the Pulpit Seminar delivering lectures and conducting several counseling sessions for participants.
- Working abroad, I preached in several locations in Israel as well as Athens, Greece; Rome, Italy; Jurong, Singapore, Lim Ah Pin, Singapore; Kota Kemuning, Malaysia; Klang, Malaysia; and at the Four Seas Bible College in Singapore. In the month of March we led a group of 40 from the Bear Valley Bible Institute on a 12 day studies program in Israel. That group was followed by a group of 17 for another 12 day studies program. This second group was made up of various preachers, teachers, and members of the body of Christ from various states in the US. The month of April was spent in Southeast Asia, where we conducted a gospel campaign organized by two congregations. The meeting was held at a hotel conference center with nearly 400 present each night. I taught two separate courses for the Four Seas Bible College in Singapore: one on Christian Counseling, and the other on the book of Revelation. We stayed in the college dormitory with the Four Seas students and enjoyed the extra time getting to know each of them. I conducted gospel meetings at the Kota Kemuning church of Christ, as well as the Klang congregation, both in Malaysia, with the assigned theme of "Staying Positive." Carla and I also delivered several lessons each at a young professional's conference in Malaysia called "Impact Day".
- Carla continues her work as a columnist for Gospel Advocate's *Christian Woman* magazine, publishing an article for each issue, and continues working on a book that she is hoping will be published next year. She also has spoken at various ladies events in Singapore and Malaysia, at Focal Point in San Marcos, TX, in Denver CO, at the Come Fill Your Cup retreat in Madill, OK, and in a ladies day in Cold Harbor VA.
- We released Passages 9 and 10 of the Bible Land Passages Documentary Video Series. Passage 9 is called "Jericho: City of Rahab", and Passage 10 is called "Khirbet Qeiyafa: Witness to David's Kingdom." We are now nearing completion of Bible Land Passage 11 called "The Power of Jesus in Galilee."
- We completed the first phase of the Bible Lands Photograph project. Over 1000 photos were labeled and organized and scheduled to be released by the end of 2018, for publications, Bible classes, artwork, and numerous other good works. See the back page for more details, and for a photograph you may download!
- We counseled with several couples and individuals, including couples and families in ministry who were in crises.
- In addition to the two studies programs we conducted in March, in June we conducted a Bible Lands Studies program for brethren in Singapore, and then taught numerous sessions in October's "Discovering the Bible by Sea" program, with a group of 31 participants.
- As revealed in our monthly reports, we continue to hear of souls being baptized. WVBS statistics show Searching For Truth, the Bible Lands Photos, and BibleLandPassages.org to be three of their top ten web pages viewed, with more statistics showing 4,620 baptisms, 1,175 restorations in 2018 so far.

A Gift For You

We are excited about the upcoming release of the first edition of the Bible Land Passages Photo Collection for use in classrooms, artwork, sermon presentations, advertising, and many other applications! These images were captured by talented photographer Doug Garner during our video filming expeditions in 2015 and 2016, and John has been diligently working to categorize and label each in a detailed fashion, so that they will be easily searchable. The first edition will contain 1000 images of various locations all over Israel. The image above was taken on the northwestern edge of the Sea of Galilee. The rolling hills visible in the distance are the mountains of Golan. We would love to give you this image to use however you like, and the photo below is an example of several items (poster, canvas, spiral notebook) we've had inexpensively printed to give you an idea of the many things that can be done with the images. Online readers may click [HERE](#) to be directed to our website, where you will find a button that links to the high resolution, downloadable image. Hard copy readers - go to our website. Enjoy!

We would love to visit with you about our work, either over the telephone or in person. Please contact John if you have questions or would like to know more information!

We are so grateful for your prayerful consideration.
